NEW BUSINESS

Item #1: Coaches T&T (Time and Travel)

- Level 4 T&T was on another tab with the excel spreadsheet mailed to members,
- T&T is a meet coaching fee – different the gym fees, apparel and individual meet fees.
- Level 4 T&T do not include optional fees for Chows (IA) and Harley (WI). These optional fees are in addition to the \$87 T&T for each gymnast for the season.

Jason Graaf motioned to approve T&T, Randy Fleck seconded, all approved.

Item #2: Gym Update (Cheryl from earlier discussion with Melissa)

- MN Aerials gym bags are available for sale \$30.00. Forms distributed at the meeting. Great Christmas gifts. Jason will post form on the website. Write checks to ABC. __define what is due date for order. Not that other gym's logo cannot be used during Aerials competitions.
- New USAG competition rules – no parent on the competition floor. Register girls for check in when you get to the meet. From there the girls are turned over to the coaches for the complete event. Recommend that all gymnast have water bottle, snacks and \$\$ for food as parent cannot be on the competition floor. __ define if a parent needs to be parent for registration check-in due to car-pool plan?
- __MN Aerials and ABC to post competition rules on the website
- If you are not competing you are a spectator and cannot be on the floor – must be in the stands with your parents. Will need to pay spectator \$\$ for meet. Usually \$5-\$8.
- Must have the USAG membership card for registration. Recommend laminating these (gym has this option) and attaching to the gymnast gym bag for safe keeping.
- __Question about individual meet versus team meet where everyone is on the floor together. We need more information from the coaches on this.
- Pictures – this Friday September 25. Group pictures will start at 4:30 with 7-9; Please review the note from the gym and get your gymnast there early for the photos. Level 4 group photos will start at 6:30. Make sure they are in their competition leos and proper "meet" hair. Complete your picture envelop and check prior to the photo shoot.
- Level 4 competition leo is now needed as the originally planned leo was not available for purchase from the manufacturer. This will be an additional \$50 to each level 4 gymnast. Please write a check to ABC.

- Level 5-7 competition leo was \$5 more (Aqua/black). This will come out of your individual accounts.
- Notify gym and ABC if your gymnast cannot compete for a meet on the schedule. It is a team effort to register your gymnastics so it's important to make sure both parties are aware of your schedule. If not properly informed your gymnast could be registered for a meet that they do not attend.
- MEA – no practice the week of October 12 for level 7-9; modified practice for level 4-6. Please check with the gym on exact practice time this week.
- Note this is the first year all teams will be USAG – the scores will be lower and that's OK. If you have issues please talk with your coaches. Also note – level 4 does not flash scores.

Meeting Adjourned: Jason Graaf motioned to approve, Kelly Eisenbraun seconded, all approved.
